

Mr Tom Geraghty,

Dear Tom,

Thank you for your recent correspondence confirming that the Public Service Committee has endorsed by a majority of its affiliates the terms of the Public Service Stability Agreement 2018 – 2020.

This outcome is very welcome and I would like to pay tribute to the efforts made by the PSC leadership in arriving at this result through its associated membership.

It is fully acknowledged that there is a range of issues of mutual concern to be dealt with under the terms of the Agreement. In this regard I would like to say that the management side will be entering into this process on a timely basis and with full regard to the importance of these matters for both our sides.

Yours sincerely,

Colin Menton
