

National Framework for living with COVID-19

Coronavirus
COVID-19
National Programme

The National Framework for Living with Covid-19 sets out the measures that will be taken at each of five risk levels. The purpose of the Framework is to allow for national as well as localised management of the virus.

Dublin and Donegal are at Level 3.

The rest of Ireland is at Level 2.

Very low rate of COVID-19 infections Low R-Number Very high rate of COVID-19 infections High R-Number

We must keep our people healthy, our businesses strong and our communities resilient. Immediate action is needed now to stop the progress of the virus.

A booklet with the detail of the framework will be distributed to homes across Ireland by An Post. You can download the framework now at gov.ie/covid19
